

Medical Radiation Technologist Week

November 5-11, 2023

Proclamation

WHEREAS the Province of Newfoundland and Labrador recognizes the vital contributions of medical radiation technologists working in radiation therapy and the medical imaging disciplines of radiologic technology, nuclear medicine and magnetic resonance imaging (MRI) to health care delivery in this province, and

WHEREAS medical radiation technologists are an essential link between patients and the sophisticated medical imaging and radiotherapy technologies in Newfoundland and Labrador's health care system,

WHEREAS other healthcare providers depend on the specialized skills and expertise of medical radiation technologists to ensure patients receive timely diagnoses and treatments, and

WHEREAS Medical Radiation Technologist Week is an opportunity to recognize and acknowledge the expertise and dedication of medical radiation technologists as well as to encourage others to enter this vital profession;

NOW KNOW YE THAT We do by these presents proclaim and declare that November 5-11 2023, shall be known as "Medical Radiation Technologist Week" in the Province of Newfoundland and Labrador.

A handwritten signature in black ink, appearing to read 'Tom Osborne', is written over a faint circular watermark or seal.
