

CAMRT 2025

Jasper, AB • HYBRID • MAY 2-3

A Landmark Conference for the MRT Community

We're excited to share the highlights from CAMRT 2025, which wrapped up early this May with record-breaking attendance, dynamic conversations, and meaningful celebrations of professional excellence. Held in breathtaking Jasper with a hybrid format, the event brought together MRTs from across the country to connect, learn, and grow.

A Powerful Start

The program launched with an inspiring keynote by **Martin Lespérance**, whose message encouraged MRTs to lead with purpose and passion. His session set the tone for a conference full of reflection, motivation, and forward-thinking.

Sessions That Informed and Inspired

The **37 sessions** delivered over the course of the conference explored the latest in imaging, therapy, leadership, education, and innovation. From artificial intelligence to patient-centered practice, each session offered practical insights and sparked valuable conversations.

CAMRT 2025 Sessions are Available On-Demand

Pricing for on demand sessions start at only **\$10 per session** for members, and at no cost to those that purchased a full conference pass.

Industry Support

This year drew a record number of sponsors and exhibitors, **47 in total**, showcasing the latest advancements in technology, education, and professional resources for MRTs across all disciplines. Their presence helped create an interactive and enriching experience on the show floor, sparking new partnerships and possibilities.

Giving Back to the Jasper Community

At our opening reception, attendees came together not just to connect, but to give back. Through a hands-on activity, participants assembled care packages for Jasper's Seton Healthcare Centre, supporting patients and staff with small comforts and essentials. In addition, we raised \$630 for the Jasper Food Bank, showing the collective impact of our community's generosity. This initiative was a meaningful reminder of the importance of compassion — both inside and outside of our practice.

Thank You

None of this would have been possible without the **27 incredible volunteers** during the event and the hard-working program committee. Your time, energy, and expertise helped create an unforgettable experience for everyone involved.

“ Thank you for maintaining the virtual attendance option—it significantly enhances the accessibility of the conference for those of us who cannot travel.”

Annual General Meeting

Thank you to all who attended our Annual General Meeting (AGM) held during the outstanding CAMRT 2025 conference. You can find the CAMRT 2025 workbook from CAMRT AGM 2025 here. A Call for presenters at CAMRT 2026 will open this summer, so make sure you're subscribed to our newsletter and follow us on social media to stay updated!

CAMRT 2025 was more than a conference — it was a celebration of who we are and what we're capable of together.

We're grateful to each participant, speaker, sponsor, and volunteer who made this year's event a success. We can't wait to see you at CAMRT 2026, May 28-30 in beautiful Victoria, British Columbia.

CAMRT AWARDS

Grassroots Advocacy Award
Tracey Lundstrom, RTT

The Grassroots Advocacy Award was created to honour a member of the CAMRT who has made a significant contribution to the profession and/or the association through advocacy.

President's Medal

This award is presented to a person who in the President's opinion, has contributed considerably to the association, the profession.

Sandra Luke

Steward of the Profession
Omer Hussein, RTR

This award honours a CAMRT member who has advocated for, and worked to advance, the profession at both the national and provincial levels.

Early Professional Achievement Award
Cassie MacLean, RTR, CTIC

The Early Professional Achievement Award is bestowed to a member of the CAMRT who, at an early stage in their career, inspires and leads their colleagues by acting as a role model.
